

PFA offers money market fund

HARRISBURG — The FBL Money Market Fund is now offering shares for purchase in Pennsylvania, according to Keith W. Eckel, president of the Pennsylvania Farmers' Association (PFA). FBL Money Market Fund is one of the Iowa Farm Bureau Mutual Funds with offices located in West Des Moines.

"The objective of the FBL Money Market Fund," Eckel said, "is maximum current income

consistent with liquidity and stability of principal."

The mutual fund invests in short-term money market instruments maturing in one year or less, including securities issued or guaranteed by the U.S. government or its instrumentalities, bank certificates of deposit, bankers' acceptances, commercial paper, and other corporate debt and repurchase agreements. Interest is accrued daily and applied to

accounts monthly.

The minimum initial investment in the FBL Money Market Fund is \$1,500, which includes a one-time-only \$100 sales charge. Subsequent investments may be in any amount of \$100 or more and without any additional sales charges. A constant net asset value of \$1 per share will be maintained.

There is no penalty at any time for withdrawal, and funds may be withdrawn instantly by writing a

check against the account or by telephone or mail. The minimum withdrawal is \$500 by check and \$1,000 by wire. Any amount may be withdrawn by mail.

Eckel pointed out that the yield on a money market fund varies both up and down daily with current market conditions.

"Because of their nature," he said, "money market funds are at this time an attractive alternative for short-term investments."

"We believe that the fund will be of great help to farmers, who so often realize their income in lump sums and need a vehicle for managing their cash for indefinite periods at a good rate of return."

The fund offers a variety of retirement investment programs, including Keogh plans (for the self-employed), Individual Retirement Accounts, Tax Deferred 403 (b) plans, corporate pension and profit-sharing plans, and public employer deferred compensation plans.

A periodic withdrawal plan is available for shareholders who own in a single account \$5,000 or more of fund shares. This plan provides for regular monthly, quarterly or annual payments of a fixed dollar amount (minimum \$100).
