# FARM ECONOMISTS.

The Kubota M Series tractors are built to carry a heavy workload. But not a heavy price.

They offer 47.4 to 72.2 PTO hp, independent PTO, power steering, plus position and draft control. And each one comes with an economical diesel engine. Which means you don't spend as much as you would on gasoline. Or tune-ups.

So put a Kubota M Series tractor to work. It's good for your economy.
