

Wenger honored as Outstanding Young Man

MONTGOMERY, Ala. — David M. Wenger, of Myerstown, Lebanon County, has been selected among the Outstanding Young Men of America for 1982.

Wenger was named to the national listing of outstanding young men for his civic and professional contributions and achievements, including his diversified accomplishments in the Future Farmers of America.

Last year, Wenger was honored at the National FFA Convention in Kansas City as the Eastern Region Star Agribusinessman — one of only four FFA'ers to be so honored. He also received his American Farmer Degree — the highest in FFA — at the convention.

Wenger is a member of the family's farm equipment business at Myerstown and travels widely to

handle used machinery purchases at auctions throughout the country.

The Outstanding Young Men of American Program, which is endorsed by the United State Jaycees, recognizes the achievements and abilities of men between the ages of 21 and 36.

The honorees are selected from nominations received from senators, congressmen, governors,

mayors, state legislators, university and college presidents and deans, as well as various civic groups.

The criteria for selection include voluntary service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation.

For Todd Warner, York Fair exhibiting was the first leg of a journey west. Named for Fair's outstanding FFA exhibitor, Warner receives an expense-paid trip from the fair board to the November national FFA convention in Kansas City.

Warner is York Fair's outstanding FFA exhibitor

YORK — Todd Warner, R1, New Park was named the York Fair's outstanding FFA exhibitor for 1982.

Along with a plaque of recognition, Warner receives an expense-paid trip from the Fair Board to attend the National Future Farmers of America convention in Kansas City during the week of Nov. 8.

Eighteen-year-old Warner, son of James and Norma Warner, is a senior at Kennard Dale High School. Selected by his vo-ag ad-

visors to participate in the supervised occupational training, Warner spends his work training hours assisting with the Warner family's dairy heifer care, turkey production, and field work with potatoes, hay, corn and small grains.

Although his father is in a family dairying partnership, Todd and his parents recently finished construction of their own milking barn where the FFA'er hopes to run his own partnership herd in the future. He now helps milk and feed a small

herd being acquired for his own eventual full-time care.

Through the FFA chapter competition, Warner's won numerous local, county and regional awards in project books, tractor, small engine, dairy showing and judging. He was a member of the Kennard-Dale chapter's parliamentary procedure team competing at 1981 state competition.

A strong supporter of the community's fire fighters, Warner is an active volunteer with the Eureka Stewartstown Fire Company, and a member of the Hopewell Fish and Game Sportsmen Association.

David Wenger, left of Myerstown, Lebanon County, is shown at last year's National FFA Convention receiving his American Farmer Degree from Mark Herndon, 1981 national president.
