

## Cure the hungries

(Continued from Page B6)

Following are three recipes for venison in response to a request in the Cook's Question Corner.

### SWEET DEER BOLOGNA

10 lbs. deer meat  
1 lb. brown sugar  
1/4 t. red pepper  
1 t. black pepper  
2 1/2 t. salt and pepper, in warm water melted  
6 oz. salt  
1/2 t. mace  
2 c. Karo light corn syrup

Mix all ingredients and pour over deer meat. Mix and stuff in bags. Hang for 2 days before smoking. Smoke 3 times every 7 days. Let hang for about 2 months before cutting. Hang in cool place.  
Mrs. Vivian Heffner, Windsor

Mix all ingredients. Taste to see if a sweeter taste is desired. Stuff in bags. I make my bags about 4 inches wide. My bags hold approximately 6 1/2 lb. each and we usually get about 8 bags. After smoking 3 days, we let it hang about 2 months. Keep your eye on it as the weather plays a big part here.
