**It's not paying extra for bags and packaging.**

**It's paying yourself to buy in bulk.**

**New Vigormix™ Bulk Pre-mix Feeding Program cuts waste and costs from breeding to market.**

Now, Vigortone pre-mixes are available for bulk delivery. You'll save money on your pre-mix purchase by buying in volume — and you'll save yourself a lot of work when grinding and mixing. With the new Vigormix Program, you simply meter in one all-purpose pre-mix from your bulk bin.

During creep feeding and starting, you add a pack of Vigorpig 120 — and during gestation a pack of Vigorsow 115, to supply the additional nutrients that are critical at these times. You give yourself a little extra profit — without giving up the precision that you've always had by feeding with Vigortone.
