

Feeg is among American Farmers

Donald Feeg

WOMELSDORF — Donald A. Feeg, Womelsdorf, was selected as one of 751 FFA members to receive the American Farmer Degree during a special ceremony at the National FFA Convention in Kansas City, Mo.

Donald, son of Roland and Carolyn Feeg, Rt. Womelsdorf, is presently the dairy herd manager of his father's herd of 150 cows. Donald resides on the farm with his wife, Nan, and son Timothy,

and does the feeding, milking, and breeding of the entire herd. He earned the degree on his supervised farming program which included dairy cattle and crops.

While in high school, Donald served as President and Secretary of the Conrad Weiser Chapter and Reporter of the Berks county FFA. He also served on and chaired many committees and participated in numerous local and county contests as well as attended

many conventions and leadership conferences.

Donald's awards in FFA include: Chapter Star Greenhand in 1975, Chapter and County Star Farmer in 1977, the Agriculture Award and DeKalb Award presented to the outstanding agriculture student in 1979, the Keystone Degree in 1979, 2nd place award on the state level with his project record book in the on-farm supervised occupational ex-

perience record book contest in 1979, and chapter scholarship award in 1978 and 1979.

Donald remains active in the FFA by attending meetings and judging many chapter contests such as the creed speaking contest, and the project book contest. Besides staying active in these, Donald was one of the key forces behind the formation of the Conrad Weiser FFA Alumni Association, of which he is the Secretary.

BIG FARM POWER AND EQUIPMENT

SEE US BEFORE YOU BUY A FOUR-WHEEL DRIVE

There are other four-wheel drive tractors. But Steiger is preferred here in the East by more farmers farming more than 1000 acres than all the other 200 plus drawbar HP four wheel drive tractors combined. Why? The answer is simple.

Steiger Tractors have been proving themselves in the fields of Pennsylvania, New Jersey, Maryland and Delaware for the past seven years.

Steiger Tractors are dependable, like a Farmall M. Steiger uses rugged components designed for construction equipment. Engines such as Cat and Cummins. Drive-line components such as Spicer and Allison. Steiger uses plate steel for their hoods, not fiberglass. Steiger guarantees its drive-line components for 2-years. Steiger Tractors we sell are backed-up by Hooper Service Specialists and a stand-by-tractor.

Steiger Tractors save fuel, like a Volkswagon Rabbit. Steiger's simple drive train converts a larger percentage of engine HP to the drawbar than other 4-wheel drive tractors. Steiger's drive train efficiency translates into more work performed per gallon of fuel than the others. Our ex-

perience with large tillage equipment enables us to match the proper tillage tool to the proper tractor for your particular operation. Less slippage means increased efficiency.

Steiger Tractors are comfortable like a Lincoln Continental. Steiger's Safari Cab is quieter than other 200 plus HP four-wheel drive tractors. They are roomy and the large contoured seat takes the torture out of those long spring days. Air-conditioning and an AM-FM stereo tape player are standard equipment.

Steiger Tractors are priced like a Chevrolet. Price a Steiger by the pound, by the drawbar HP, or by the acre. Then compare. You'll see you can afford this Cadillac of four-wheel drive tractors.

**BUT DON'T TAKE OUR WORD FOR IT; ASK A NEIGHBOR WHO OWNS ONE.
STEIGER OWNERS ARE THE BEST SALESMEN WE HAVE...**
