# End-of-model rebates up to \$5,900

Closeout savings on the last 40 Series John Deere tractors... plus a bonus for financing without waiver

Don't miss out — take advantage of this cash rebate program before 40 Series tractors, 40- to 228-hp, are sold out.

Get a cash rebate (first dollar column below) direct from John Deere in addition to our good deal on the 2WD or 4WD tractor of your choice. These tractors carry a 1981 sticker price, so we're offering rebates and discounts from prices already competitively low.

There's more. During January, 1983, pay cash for your new tractor, finance it where you choose, or finance it with John Deere without waiver\* and you'll collect the

cash rebate in lieu of finance waiver as shown. Or you can elect to have the John Deere finance charge waived to June 1, 1983, instead of taking the additional cash rebate.\*

For those who prefer 50 Series 4WD tractors there are also special rebates during January. Cash rebates up to \$10,050 on new models that replace the 40 Series 4WDs being cleared out. Waiver of finance charge option too.\* John Deere may withdraw these special offers at any time, so come in soon!
