

# MUELLER

## HiPerForm MUELLER dairy farm equipment

You've known about the reputation of **Mueller Milk Coolers** for years. You know it's the Number One Cooler selected by dairymen around the world because of its automatic washing system, its efficient temperature control and agitation system, its cooling efficiency, reliability and durability

The **Mueller FRE-HEATER** saves the energy wasted by your refrigeration unit. The Fre-Heater is a heat recovery unit which captures a large portion of the normally wasted heat energy from refrigeration and air conditioning systems and uses this captured heat energy to heat water to approximately 140° F with no additional energy requirements
