

MAKIN' GOOD

VIGORTONE

It's not paying a feed company to make a good ration.

It's paying yourself to make a better one.

When you take your cut off the top, your bottom line sure looks better.

By the time you've paid someone else to make your feed, they'd just as well feed it, too — because most of the money has been made. That's why the Vigortone BottomLine™ Swine Feeding Programs are able to help many producers. Top feed conversion and fast rates of gain are as close as your own grinder/mixer. There's no reason to pay a high-priced labor force to process protein — and there's no reason to pay for fillers in your feed, either.
