IH SUPER SAVING TIME

SAVE 20% on

IH No. 1 engine oil and up to 50% on oil change costs!

Want to cut your oil change costs by up to 50%? Then switch to IH No. 1 diesel engine oil the next time you change your oil. Here's how:

IH No. 1 diesel engine oil extends oil change intervals to 200 hours in most International tractor engines. That's because special extenders and fortifiers help IH No. 1 diesel engine oil maintain exceptional lubricating qualities under the most abusive operating conditions for a longer period of time.

IH No. 1 diesel engine oil is on sale now at up to 20% off the regular IH suggested list price so you can save even more. First quality protection at terrific savings.

Why wait? Save once by extending oil change intervals to 200 hours... save again by getting quality IH No. 1 engine oil at up to 20% off regular IH suggested list price!
