

# EYE OPENING DISCOUNTS for SPRINGTIME BUYERS

**Nobody builds a more accurate planter  
than the Seed Boss®**

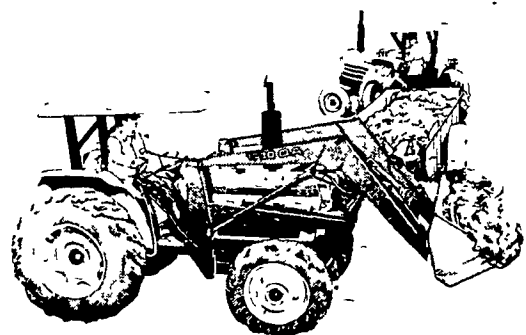

And we can show you — on a Seed Boss planter in stock — exactly why we'll match our White Farm planter against any other brand. In conventional, minimum-till or no-till.

More accurate planting depth and seed spacing can mean better stands and yields. Come in and see how little it takes to own what a lot of farmers believe is the most accurate corn and soybean planter sold today: the Seed Boss.
