

THE BIGGER, TOUGHER SPREADERS.

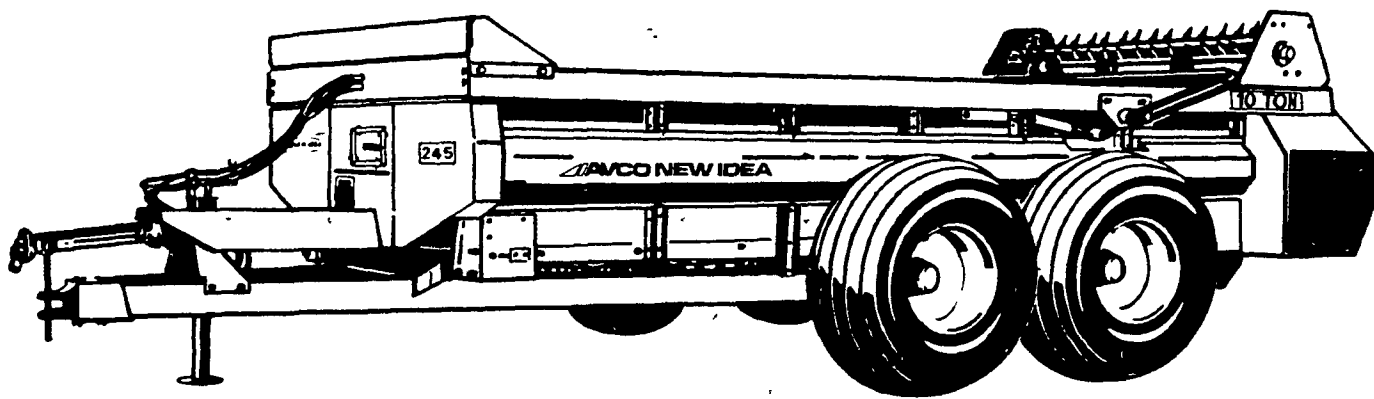

Imagine spreading 10 tons of manure in a single trip! That's possible when you have the Avco New Idea Model 245 Spreader.

Built with a 375-bushel all-wood box, the 245 lets you make far fewer trips to the field. And the 244 is nearly as big, with 8.5 tons or 325 bushels. The 243, a 250-bushel spreader, is available with either a single or

tandem axle. All have the same lifetime warranty on wood and full-year warranty on parts and workmanship as the rest of the Avco New Idea spreader line.

The big ones are available only from Avco New Idea. Stop in and see us for all the facts today.
