MODEL 643 BOBCAT SKID-STEER LOADER

LIQUID COOLED KUBOTA DIESEL

- Good Cold Weather Starter
- High Wheel Torque For Better Loading And Maneuverability
- Diesel Economy
- High Engine Torque For Greater Response In Heavy Loads
- Featuring The Exclusive "Seat Bar" For Operator Safety & Comfort

"We tried to work our cattle/hog operation with a tractor loader and just couldn't manage it. Our place is 'designed for a Bobcat.' No troubles. No breakdowns."

DEAN HANENBURG
Dairy Farmer
Foley, MN

"My 643 diesel uses about 1/3 less fuel than my other gas machine...and it does the work of three extra men. Runs so reasonable it's unbelievable."

RICHARD OLSON
Dairy Farmer
Ellendale, ND

"Our 643 diesel starts like gas, runs like gas...but we don't have 'wet' engine problems in humid working conditions. We eliminated downtime. It's a slick rig."

JERRY BEUNING
Beuning Ag Service
Sauk Centre, MN
