

Farmland Preservation ~ It's worth it.

Hinkletown, Lancaster County

MUELLER
HiPerForm
MUELLER
dairy farm equipment

You've known about the reputation of Mueller Milk Coolers for years. You know it's the Number One Cooler selected by dairymen around the world because of its automatic washing system, its efficient temperature control and agitator system, its cooling efficiency, reliability and durability.

The Mueller PRE-HEATER saves the energy wasted by your refrigeration unit. The Pre-Heater's 1/2 hp. 115 volt motor captures a large portion of the normally wasted heat energy from refrigeration and air conditioning systems and uses this captured heat energy to heat water to approximately 140° F. with no additional energy requirements.
