

This Could Be The Busiest Tractor On Your Farm

Moving implements. Cleaning the barn. Filling chuckholes. Plowing. Clearing snow. Not to mention mowing the lawn. An International® 200 Series tractor may not be the most powerful tractor you own, but it could be one of the most useful.

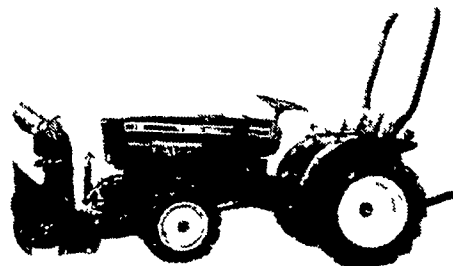

Live hydraulics, Category I 3-point hitch, and 540 or 1250 RPM rear PTO hook you up to a variety of work-saving attachments. A 3-cylinder water-cooled

diesel engine supplies plenty of power. Full dash instrumentation includes tachometer, hour meter, fuel gauge, turn signals and electrical engine shutoff. Optional all-wheel drive keeps you sure-footed when the going gets soft.

See your IH® Dealer and check out all the features that make this a little diesel you can really get attached to.
