

**It's not paying a feed company double for commercial starter.
It's paying yourself to make one pigs like better.**

Charity starts at home — with a BottomLine™ Swine Starter pre-mix.

A freshly-ground BottomLine ration is not only the best way to make sure baby pigs eat and gain fast — but is also the best way to make sure you are the one getting paid for a job well done. So pay yourself by beginning with good, energy-rich grain, mixing in the prescribed amount of soybean meal (or another natural protein), and balancing the ration with a Vigortone BottomLine Swine Starter pre-mix. That's a way way to cut half of the out-of-pocket portion out of your costs — and a way to cut middlemen out of the profit that's waiting for your family.
