Lewis family concert

The Lewis Family, America's First Family of Bluegrass Gospel Music, will celebrate their 14th anniversary at the Shindig in the Barn with a dinner and show at Good 'N Plenty Restaurant on Friday, May 13. The dinner will begin at 7 p.m., followed by a concert. For ticket information, contact Burkhart's Furniture 569-4503.

NEW!

GEHL®

Full flotation - full conditioning

7'3" and 9'3" Cutting Widths

Now you can quickly change standing hay crops to conditioned, fast-drying windrows with the new 2130 and 2160 mower conditioners from Gehl

Choose from 7'3" or 9'3" cutting widths. Both machines feature full-width, non-intermeshing conditioning rolls to crack the crop stem, speeding drying while minimizing valuable leaf loss.

Improved header flotation provides ground-hugging cut control, quick response to changes in ground contours.

The 4-bat reel features adjustable speed and tine angle to sweep the crop into the conditioning rolls. Two additional bats are available. A single chain drive, with simplified drive, runs the condi-

tioning rolls and the reel with fewer parts to service, reduced maintenance costs.

Quick adjust windrow shields can be moved by hand (2160 only). And because your crop isn't over-conditioned; windrows stand tall for free air movement. Or you can change to quick-drying swaths.

They're the first step in your haymaking operation -- new 2130 and 2160 mower conditioners from Gehl!

GEHL®

FARM EQUIPMENT

30% Down Now
Final Due Date April 1, 1983
40% Down Now
Final Due Date June 1, 1983

Forage Harvesters
Forage Blowers
