TRAC VAC

The ten cubic foot cart equipped with the ALL STEEL cart cover expands your collection capacity to 30 cu. ft., enough volume to hold approximately 30 bushels of shredded grass clippings, leaves and litter. The six blade forward curve turbine reduces noise to a pleasing 70 decible level while shredding the clippings and leaves for better compaction in the collection container. The 580 features the fast attaching discharge chute available on all Trac Vac Vacuums.

Model 580

The 580 Vac Has The 5 HP Briggs-Stratton Power Unit Mounted Directly To The Draw Bar Of The Cart!
