

**\$1,900 to \$900
INTRODUCTORY
CASH REBATES**

On new 40- to 85-hp John Deere 50 Series tractors

Save when you buy and save when you work. Big introductory cash rebates on new John Deere 50 Series "Efficiency Expert" tractors are yours direct from John Deere in addition to our good deal.

Act promptly and you'll get another advantage. If you are a qualified buyer and finance your new 50 Series utility tractor with

John Deere, finance charges will be waived to June 1, 1983.

This is a limited time offer. So choose the power size and options, such as exclusive Castor/Action™ mechanical front-wheel drive and Sound-Gard® body, that meet the needs of your type and size of farm. See us for big savings.

Model	Cash Rebate On Purchase

**New: John Deere
extends hay/forage
Pick-A-Team rebates
up to \$1,600
through April, 1984**

Purchase the new hay or forage tool you need for 1983 now and you qualify for an immediate John Deere money bonus in the amount indicated below for your first purchase. On top of that, you'll get a certificate from John Deere that qualifies you for the total Pick-A-Team Bonus shown below when you take delivery on a specified companion John Deere hay or forage tool ordered by April 30, 1984. (One of your purchases, to qualify for the Double Bonus on both, must be a new John Deere mower/conditioner.)

There's more. finance one or both of your team with John Deere now, before the 1983 offer is discontinued, and finance charges will be waived until the 1983 season of use in this area.*

See us for details on this offer, and get our good deal on a John Deere hay or forage tool that will lower your costs even more!

Whether you're a backyard gardener, commercial grower or nursery operator, John Deere has a tiller right for you.

Tiller attachments are available for all John Deere lawn and garden tractors, 10 to 20 hp. The tiller for the 318 and 420 cuts a swath 48 inches wide and up to 8 inches deep. The tiller for the 200 Series Tractors can be set for widths of 22 and 30 inches. Tiller for the 314 can be adjusted to widths of 26 to 34 inches. All tractor-mounted models have durable chain drive and three sets of mounting holes to let you match tine aggressiveness to soil conditions.

Walk-behind tillers come in three models.

The new 820 Rear-Tine Tiller has a commercial-type 8-hp engine and a 22-inch working width. Counter-rotating tines, with four short and four long blades per

**The groundwork

begins with John Deere**

spider, can also be set for standard rotation. The gear-type transmission has 4 forward speeds, plus reverse.

The 624 Tiller has a 6-hp engine and an adjustable 13- to 24-inch width. The 216 Compact Tiller has a 2-hp engine and 16-inch tilling width. Width of both models can be extended with optional tine kits.

Make gardening a lot easier this year. See us soon for a John Deere walk-behind or tractor-mounted tiller.
