

We'll Come To Work For You

With your Wayne® dealer as part of your management team, you'll see milk production — and revenues — rise. We'll analyze your high-moisture feed for nutrition content. Then, if needed, we'll custom blend a

feed ration that meets your herd's needs, using Hi-Moisture Plus™ from Wayne. The result? Higher milk production, and more mileage from your grain. Just ask us. We're here to help.
