

Dignitaries from the Farm Women Spring Rally's head table included, from left, William E. Dearden, guest speaker; Pat Baum, president of Dauphin County Farm Women - host county; and Marie Baughman, state president.

William E. Dearden, vice chairman and chief executive officer of Hershey Foods, served as guest speaker at the 18th annual Farm Women Spring Rally. With him is his former housemother while at Milton Hershey School, Mary Reapsome Glasford, Lancaster.

More than 1200 Farm Women attend 18th Spring Rally

HERSHEY — More than 1200 Farm Women from 17 agricultural counties of Pennsylvania assembled at the Hershey Lodge and Convention Center, Wednesday, May 25, for the 18th Annual Spring Rally of the Society of Farm Women of Pennsylvania. Dauphin County was the host county.

Marie Baughman, president of

the state Societies gave a brief talk about Farm Women Activities.

The West Side Singers of Duncannon entertained the farm women with a 30-minute concert. The Singers have been honored in their travels worldwide and, recently, received the bronze medal of honor in Washington, D.C. The group especially enjoyed their medley of "I Believe" and

"Ave Maria."

William E. Dearden, vice chairman and chief executive officer of Hershey Foods, was the afternoon speaker, telling his interpretation of the Hershey story. He is a 1940 graduate of the Milton Hershey School.

Dearden related a few personal anecdotes about one of his

Ridomil[®] in the soil

For More Effective Control

Ridomil controls blue mold and black shank in your tobacco. But for Ridomil to do its best work, it should be applied to the soil before transplanting.

Ridomil destroys diseases present in the soil. Then it is absorbed by the roots and moved systemically throughout the plant to protect your tobacco as it grows.

For the best two-way action against blue mold and black shank, follow your label directions — use Ridomil in the soil.

Ridomil[®] trademark of Ciba-Geigy for metalaxyl.
