**WU - The Economical
Alternative**

Economy and ruggedness are 2 traits owners have appreciated in the Wu Power Cart over the last 9 years.

Economy starts with the attractive selling price. Owners fall in love with it even more after finding out the extremely low cost of operation and incidence of repairs.

A 7 hp. Honda G-300 engine, hydraulic dump, 3 axles, 4-wheel drive, and one-ton hauling capacity make an attractive package.

Write or call for informative brochure or dealership inquiries.
