The Timppe Twins are Tough.

Got Grain? Then get the trailers that are Timppe tough... the Super Hopper or the level floor Super Grain Trailer. They're not only built to take it... they're also built to cut fuel costs. The Super Hopper and

"Hitch on to quality"

TIMPTE

the level floor Super Grain Trailers are lightweight and aerodynamically designed to reduce wind drag. When there's grain to be hauled, Timppe does the haulin' best and pulls a lot easier than the rest.
