

Mixed load of vegetables is examined before being auction at Delaware's Laurel Block. Market is excellent source of farm fresh produce for roadside market operators.

Laurel auction

(Continued from Page D16) Pittsburgh and Toronto. Others go to Puerto Rico, while melons purchased by the U.S. Army could end up anywhere in the world. Horton suggests buyers call ahead to find out what will be

available for sale the following day. Prospective buyers are also encouraged to contact his office for information on how the market operates and what services are available. The number is 302-875-3147.

ADA teams up for milk promotion

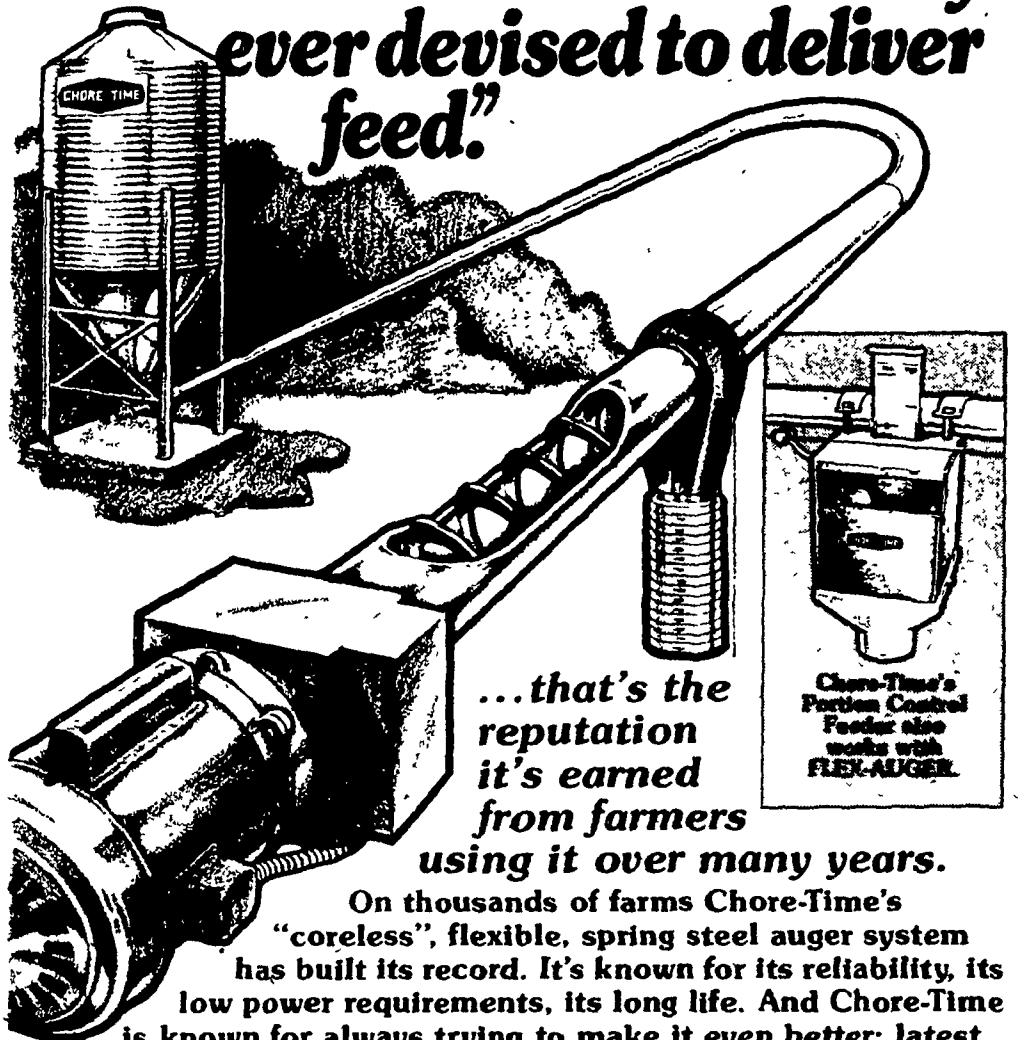

The American Dairy Association and Dairy Council is co-sponsoring two national milk promotions beginning this summer. One will be with General Foods, the other will be with M & M Mars. The General Foods promotion features "Post Toasties Corn Flakes." Consumers who send in three boxtops from the breakfast cereal will receive a coupon for

\$1.00 off their next milk purchase. The offer will be advertised in newspapers, on cereal packages and in the dairy case beginning in August. M & M Mars will be promoting its "Twix" and "Summit" cookie bars through a milk giveaway. They'll be offering consumers a free half gallon of milk with the purchase of three "Twix" or

"Summit" family packs. The program will run from mid-August through November, coinciding with the back-to-school period. Funding for both promotions will be provided by the respective manufacturers, with ADA/DC providing milk carton side panels. ADA/DC is a producer-funded, producer-directed milk promotion agency serving New York, New Jersey and Pennsylvania.

DAIRY-SWINE-POULTRY FEEDING

FLEX-AUGER—"the best way ever devised to deliver feed."

...that's the reputation it's earned from farmers using it over many years.

On thousands of farms Chore-Time's "coreless", flexible, spring steel auger system has built its record. It's known for its reliability, its low power requirements, its long life. And Chore-Time is known for always trying to make it even better: latest improvements include new PVC tubing with ultraviolet and wear inhibitors, plus new power-efficient direct drive motors that turn the auger. Get full facts now about Chore-Time's FLEX-AUGER and line of feed bins.
