**Philadelphia Eggs**

**Thursday, July 21**  
 Report supplied by USDA  
**MARKET COMMENT:**  
 Movement overall is only fair. Despite effects of hot weather on production most dealers are noting some accumulations, particularly on lighter weights. Extra large are no more than adequate and some traders note difficulty in filling orders. Class ones are tight and buying interest is going unfilled with some quarters. Other than class ones, all other classes and graded loose stocks are fully accurate to ample. Discounting widespread as traders attempt to move excess stocks, but few are finding any traders. Undertone mixed and unsettled.  
 Prices to retailers: Sales to volume buyers, consumer grades white eggs in cartons delivered store door:  
 A Extra Large .66-.68; A Large .65-.67; A Medium .50-.52.50.

**Delmarva Poultry**

**Thursday, July 21**  
 Report supplied by USDA  
**Market Comment:** Ready to cook movement, on whole birds is mixed; some plants are tight and having trouble filling current orders, while others have an adequate supply and have no trouble filling orders, parts are moving slower, wings are adequate, breast items are fully adequate and legs ample. Live supplies are no more than adequate. Weights are generally lighter than desirable at most plants. Undertone is steady.  
 Today's L.T.L. asking prices generally unchanged on U.S. Grade A at 53-57 cents.  
 Estimated slaughter of broiler fryers in Delmarva (000).  
 Estimated July 21 1,857; Actual July 14 1,840, moderately heavy; Actual July 19 1,822; Average Weights July 19 4.17; 12.4.30.

**Heinsey's Poultry Market**  
 Root's, East Petersburg  
 Tuesday, July 19

**The P & L Service Program is an important part of every DEKALB flock's profitability**

Profitable pullets and layers are what the DEKALB P & L Service Program is all about. It's an easy way to achieve optimum genetic potential from your DEKALB DK\* or XL-Link\* chicks.

Body frame measurement. Sanitation. Vaccinating. Lighting. Weighing. Performance goals. The P & L Service Program covers them all, beginning three weeks before your DEKALB chicks arrive and continuing through their entire production cycle. Plus, the P & L program is compatible with most self-designed service programs.

A production program that's free, easy and available with every flock of DEKALB DK or XL-Link chicks. Ask your DEKALB representative about the P & L program.
