

Companies violate meat act

WASHINGTON, D.C. — Four companies in Pennsylvania, Florida and New Jersey have been sentenced by U.S. District Courts in recent weeks for violating the federal meat inspection law, according to U.S. Department of Agriculture officials.

— Pennsylvania: Ray L. Mummert, owner of Eberly's Meat Market, Yoe, Pa., was fined \$2,500 and placed on two years probation for selling and transporting meat without USDA inspection. Mummert used an official USDA meat stamp to mark uninspected calf carcasses as federally in-

spected and passed. — Florida: The U.S. District Court for the Southern District of Florida fined Leslie Elzy, owner of L-Z International, Inc., Miami, Fla., \$2,000. Elzy pleaded guilty to knowingly mislabeling and selling beef livers as calf livers. Selling

meat products under a false and misleading name with intent to defraud is a felony.

— Florida: Gurrentz, Glickauf and Oppenheimer, Inc., a brokerage firm in West Palm Beach, Fla., pleaded nolo contendere to charges of mislabeling beef livers and was fined \$250 in the U.S. District Court for the Western District of Missouri. USDA compliance officers found a shipment of beef livers that had been relabeled as calf livers.

— New Jersey: The U.S. District Court of Newark, N.J., convicted Frank Atanasio, president of Two Counties Dressed Abattoir, on two misdemeanor counts: failure to destroy condemned lamb carcasses and preparation of those carcasses for use as human food. He was sentenced to two years probation and fined \$1,000.

USDA inspects meat sold in commerce to ensure that it is wholesome, unadulterated and accurately labeled.

Cumberland FFA'ers

(Continued from Page D15)

purchased the 237 pound hog for \$1.10.

Kim Hopple owner of the champion pen of hogs sold the 521 pound pair to the Country Butcher Shop of Plainfield for 60 cents. Norther Mountain Butcher Shop of Newville purchased the Lightweight Champion of Jeff Bricker's for 90 cents. The Lightweight Champion weighed in at 177 pounds.

Wendy Bretz's mediumweight champion of 209 pounds was purchased by Packing Company for 90 cents.

Forty-seven lots were sold at the FFA Market Hog sale with an average sale price of 82 cents.

Other buyers supporting the

FFA Chapters Sale this year were: Huntsdale Stock Farms, Georges Flowers, John Diehl and Sons, Fred and Mike McCarthy, Hulse Associate, Inc., Shephard's Crock and Carolyn Seletsky, Ron Souders, Souders Feed and Grain, Cumberland Co. National Bank, Farm Credit Assoc., Orrstown Bank, G. Leonard Fogelsonger, Valley Power Products, Hughes Superthrift, Agway Petroleum, Inc., Sunday's Feed Mill, Saylor's IGA, Fickes Silo, J. Paul Fogelsanger, Inc., Ice and Cold Storage, Monn Real Estate Broker, Locust Point Stone Quarry, Hershey Auctioneer Service, Agway, and Wisers Pork Chop Farm.

Have You Purchased Your
SILAGE and
HIGH MOISTURE CORN
ADDITIVES or
PRESERVATIVES
For The coming Season?

With the large selection of products available to you today, deciding which way to turn brings important questions to be answered...

??
The
Questions
??

- 1 WHAT AM I GOING TO USE ON MY SILAGE THIS YEAR?
 - A An Enzyme Based Product?
 - B A Yeast Preparation?
 - C A Urea Product?
 - D A Molasses Based Product?
 - E A Cultured Additive?
- 2 WHAT WILL TOTAL COST OF THE PREPARATION BE?
 - A Cost Per Ton!
 - B Coverage Per Ton!
 - C Total Return Vs. Dollar Investment!
- 3 HOW WILL I APPLY THE PRODUCT I CHOOSE?
 - A Easy Application!
 - B Requires Special Applicator!
 - C Must Be Applied By Hand!

Now...Let us give you answers to the above questions in relationship to our product...ALFA-ZYME!

!!
The
Answers
!!

- 1 ALFA-ZYME is a fermented enzyme product injected onto a fine grade alfalfa (a top grade carrier of enzymes) We have the ORIGINAL ENZYMES PRODUCT!
- 2 The COST of ALFA-ZYME Vs. return for your dollar is fantastic. While other products use minimal lbs per ton, ALFA-ZYME requires 50 Lbs. for every 3 tons of silage or high moisture corn. A 120 ton silo takes 40 bags or 1 tone of ALFA-ZYME
- 3 We realize we might not have the easiest product to apply, but after application we have that "SOMETHING SPECIAL" that makes better silage and corn! (No, we don't have an "easy applicator" but then again if your results are not satisfactory with "easily applied" products, all you end up with is a useless "easy applicator!")

We hope the above information has captured your attention. Now we have a few questions of our own...

1. Do you realize the product you choose will determine the outcome of your silage up to the next tilling season? You can change your feeding program often, but the product you apply to your silage or corn must work the coming winter, spring and summer months!
2. Have you already purchased a product because of an early discount or "special deal"? If so, try this test. fill 1/2 your silo with the other product and then add ALFA-ZYME to the remainder. Make 1983 the year you make the test!

IN SUMMARY...

Making BETTER SILAGE and HIGHER MOISTURE CORN is our main business. And, ALFA-ZYME has been proven on farms like yours in PA, MD, and VA.

NOW...THE FINAL QUESTION!... Where can I purchase ALFA-ZYME?...Ask your feed dealer, farm store operator, call or write:

ALFA-ZYME
Box 32, New Kingstown, Pa. 17072
717-697-9085

CLASSIFIEDS!

At the 4th annual Cumberland County FFA Livestock Sale, the champion FFA market hog owned by Chris Hopple, left, was purchased by Jeff Craig of Wayne F. Craig and Sons, Shippensburg. The 281 pound champion hog was purchased for \$1.40 per pound, the top price of the sale.

Remove heat stress,
noxious gases and save
energy dollars with
Agri fan

HELPS TO HEAT
IN WINTER!
HELPS TO COOL
IN SUMMER!

Fan carries a five-year warranty and features:

- Sealed chrome steel ball bearings
- Totally enclosed motor, special moisture resistant silicone treated
- No maintenance
- Displaces 24,000 cubic feet of air per minute (CFM)
- Solid state infinite speed controls
- Uses less energy than 40W bulb at low-speed
- 15 amp circuit runs up to 13 fans
- Easy installation, just mount and plug in 32" cord. Completely assembled (except blades)
- All metal construction — 60" diameter blade sweep
- Effective up to 60 ft. ceiling height
- Aerodynamically designed blades for maximum air delivery
- Down rods available in 10" lengths
- Fans and controls are warranted to be free from defects in materials and workmanship at the time of shipment from the factory and for a period of five years.

APPLICATIONS:

- Poultry houses
- Dairy barns
- Milking parlors
- Storage buildings
- Greenhouses
- Office areas
- Confinement buildings
- Livestock buildings
- Processing plants
- Warehouses
- Machine shops
- Homes
- Churches
