August-only closeout specials on John Deere 40 Series tractors: finance charge waiver to March 1, '84; or cash rebates to \$2,150

Our selection dwindles down daily on remaining 40 Series tractors—40 through 228 hp. So, act promptly to get 40 Series tractor value while these special offers are in effect:

1. We're dealing from 1981 prices on John Deere 40 Series tractors that'll perform with higher-priced 1983 competitors. And our deal is on top of special John Deere-to-you offers.
2. Finance your new 40 Series with John Deere during August and cut your costs by \$100's, even \$1,000's. Purchases made by August 31 will be eligible for finance charge waiver until March 1, 1984; or you can choose to get a cash rebate check from John

Deere (amounts shown below).
If you expect taxable income in 1983 (keep PIK acres with minimum expenses in mind), we urge you to use John Deere financing to take advantage of Investment Tax Credit in 1983 plus full-year depreciation expense to reduce your taxes. You'll not only shield income but greatly reduce actual cost of your new 40 Series.
3. Lease a new 40 Series tractor and lease payments will be discounted. Here's a way to get the modern power you need, plus tax advantages, even if your taxable income for 1983 is low. See us for details.

August-only bonuses on new John Deere Max-Emerge® planters: cash rebates up to \$2,000 or waiver of finance charge to April 1, 1984

If you expect to earn taxable income in 1983, you have tax- and money-saving reasons to buy a new Max-Emerge planter now. Finance it with John Deere and pay no finance charge until April, 1984. Or in lieu of that waiver, John Deere will send you a cash rebate up to \$2,000 upon planter delivery.* Whichever offer you choose, you'll also realize tax savings from Investment Tax Credit (ITC) and depreciation on your planter. To collect John Deere savings at these levels, you must act during August.

John Deere Skid-Steer Loaders move a lot in a little space

Inside the "cage" of a John Deere skid-steer loader is one place sitting down on the job really pays off. Seated inside, you can do more work in less time, with far less fatigue than if you attempted the same job by hand.

There are four skid-steer loaders to choose from... the 17 hp 60, the 23 hp 90, and the big-capacity 125 with a 37 hp gas engine or a 40 hp diesel engine. All have 4-wheel hydrostatic drive that makes spot turns easy. Narrow tread widths and short wheelbases for access to

tight areas. And a three-way braking system with operational, emergency and parking brakes.

For safety, there's a neutral start system, integral lift arm locks, and a Roll-Gard® ROPS with canopy, sidescreens and seat belt.

See us soon for a test drive. There's a John Deere skid-steer loader right for your needs.
