

MASTER MIX MultiphaseTM CONCENTRATE.

HIGH EFFICIENCY FOR HIGH NET PROFIT

We're ready to help you squeeze more profit from every one of your cows with this Master Mix dairy feeding program. Based on the concept of phase feeding, the program consists of Multiphase dairy concentrate and two Density Plus Nutrient Pacs — Silage Pac or Legume Pac.

Multiphase is a foundation concentrate that is formulated with the basic nutrition for the entire lactation cycle. To build rations to meet specific nutrient needs Master Mix Research developed the Density Plus Nutrient Pacs. This Master Mix Multiphase Dairy Feeding Program is the most comprehensive in the marketplace today.
