Dairy legislation

refund, producers must reduce commercial milk marketings by 8.4 percent for the period October 1, 1983 to September 30, 1984. The average annual marketings during October 1, 1980 through September 30, 1982, will be the producer's base marketings.

How To Participate

Producers should establish their base marketings at the county ASCS office any time during the marketing year, and present documentation of milk marketings such as payment receipts, statements from milk handlers that show amount sold monthly during base period and the up-coming refund period, and amount of money deducted for USDA's Commodity Credit Corporation.

Producers who sell milk directly to consumers should provide to ASCS sales records and cancelled checks as proof of marketings and

Where To Participate The ASCS office in the producer's county.

When To Apply

The Dairy Refund Program will go into effect September 1, 1983. Applications for 1982-83 marketing year refunds may be filed from October 1, 1983 through December 31, 1983. Applications for full 1983-84 marketing year refunds may be filed from October 1, 1984 through December 31, 1984.

Producers may request an advance of 60 percent of the refundable deduction paid during the first 6 months of the 1983-84 marketing year any time on or after April 1, 1984. Producers requesting this advance must furnish pertinent milk marketing records and certify that the required 8.4 percent reduction in marketings will be made for the entire marketing year.
