

Blair sale

(Continued from Page A14)

family during the swine competition.

John's 12-year-old brother Kevin showed the reserve champion market hog. Dale Hoover bought the second best hog for Hatfield Packing Co. at a price of \$2.22 per pound.

The average sale price for the 29 hogs sold was 70 cents per pound. The swine, weighing a total of 6,219 pounds, earned \$5,542.50 as a total sale.

For the third year in a row, Holl Pheasant, 15, Williamsburg, raised the championship lamb. The 103 pound lamb brought \$2.60 a pound from the top bidder, Larry

Weyandt, Morrisons Cove Livestock Market.

The reserve champion lamb was exhibited by Christine Rhodes. Rhodes Meat Market purchased the 123 pound animal for \$1.70 a pound.

The 17 lambs were sold for a total price of \$1,715.82. Seventy-six cents per pound was the average price paid at the annual livestock sale.

There were more buyers present at this years sale than in past

years. Approximately 40 individuals and businesses turned out to bid on the animals and support agriculture's youth. It was a successful evening for the 4-H and FFA farmers. Prices were considerably higher for the young

people compared to 1982. The animals were judged by a former vo-ag teacher from Perry County. Terri Coon is attending Penn State seeking her master's degree. Auctioneer for the livestock sale was Clarence Showalter.

Lloyd Rhodes, of Rhodes Meat Market, Martinsburg, bought the Blair County reserve grand champion lamb, exhibited by Christine Rhodes.

Reserve champion hog in Blair County exhibited by Kevin Dowey sold to Dale Hoover, of Hatfield, for \$2.22½ a pound.

THE ONE AND ONLY ONE THAT CONTROLS BOTH.

Only Tylan® Sulfa-G¹ is approved to control both pneumonia¹ and atrophic rhinitis.²

Hogs can cost you money, or they can make you money. The key is to stay in control... from the start.

And there's only one product approved to control two of the biggest disease threats your pigs will ever face—pneumonia and atrophic rhinitis. It's Tylan® Sulfa-G.[™]

And since approved for on-farm mixing, Tylan Sulfa-G has proven to be one of the fastest growing feed additives on the market. Anyone who's tried it knows why.

Healthier, better doing pigs. Faster time to market. Higher return on your investment. You've got more than one good reason to try the one and only—Tylan Sulfa-G. See your antibiotic supplier today.

¹Caused by *Pasteurella Multocida* and *Corynebacterium Pyogenes*.
²For lowering the incidence and severity of *Bordetella bronchiseptica* rhinitis
