

Cumberland County 4-H'er Wins Horse

CARLISLE — Cindy Frey, 3410 Spring Road, Carlisle, is the 1983 state winner of a weanling Quarter horse from Bob Evans Farms, Rio Grande, Ohio. She will receive her horse during the Bob Evans Fall Round-Up held in Ohio, September 10-12.

"Cindy was selected in recognition of the leadership qualities she's demonstrated in 4-H work, scholastic achievement, and community involvement," said James Gallagher, professor of animal science Extension at Penn State.

Evans, president and founder of Bob Evans Farms, a sausage and restaurant company, has been a 4-H supporter for many years. Since 1978, he has presented 100 registered Quarter horses to 4-H members in nine states.

"I'll train this horse, ride it in the Drill Team and 4-H shows, and use it for my 4-H horse production project," says the 14-year-old winner. "It will be boarded at my grandfather's, and I can walk there every day to care for it."

Cindy Frey

Cindy has been a 4-H member for six years and is actively involved in the veterinary science project as well as horse club and drill team.

"4-H has improved my riding skills, taught me how to properly

care for a horse, and the equipment and preparation necessary for showing," says Cindy. "In veterinary science, I'm learning the characteristics and body functions of animals."

The daughter of Frank and Jane Frey III, Cindy is an eighth grade student at Cumberland Valley Middle School West. She has performed at the State Farm Show with her horse club drill team for the past five years and is a junior member of the Bonny Brook Riding Club. She belongs to her church youth fellowship group and is an honor roll student. She hopes to some day attend Penn State and major in veterinary science.

Benzak Meats Buy Lambs

NORRISTOWN—Benzak Wholesale Meats, Bethlehem R4, was the successful bidder of the champion market lamb at the recently held Montgomery County 4-H Market Lamb Sale.

Owned by 4-H member Chris Muse, Perkaspie, the 100-pound lamb brought \$4 per pound. Chris also had the champion pen which was purchased by Benzak Meats at \$1 a pound.

After spirited bidding the reserve champion lamb of Ahna

Landin, Lansdale, went to Benzak Meats for \$1.90 per pound

Jane Landin, Lansdale, saw her lamb going to John Black of Black's Livestock, Inc Route 73, Skippack, while Frank Filippo, Norristown, purchased the lambs of Steve Pierson, Norristown, and Greg Muse, Perkaspie

Hennings Market, Harleysville, purchased the lamb of Joshua Landis, Perkiomenville

The average price paid per lamb with the champion was \$1.48 per pound.

Vicki Benzak, of Benzak Wholesale Meats, Bethlehem, poses with the champion Montgomery County 4-H Market Lamb purchased for \$4 per pound from Chris Muse Perkaspie.

The Surge Information System.
A feed and management system so advanced that all others seem outdated.

But don't take our word for it. Make your own comparison.

Compare the overall potential of Information to help you track your cows, manage your dairy, and handle the future demands you'll put on your system. There simply is no comparison.

Compare Information's feeding capabilities. With most other systems, you need to manually adjust the amount of feed periodically, so cows are always being overfed or underfed. The Information Feed Manager, on the other hand, automatically adjusts the ration each day of each cow's lactation cycle. This is more than a convenience. It's much more precise feeding, and makes a big difference in efficiency, milk production and even herd health.

Finally compare service. We doubt if you'll find another system with a toll-free Help Line, a computer club and certified dealer service right on the farm.

See your Surge dealer about Information—a system that outthinks, outworks and outperforms all others.
