nature packs  
your silage with  
nutrition.

# Crop-Sile®

keeps it  
there.

By the time your silage gets to the bunk much of the nutritive value may get lost. That's why innovative farmers use CROP-SILE®. It's a low-cost combination of stabilizers, antioxidants and flavors that locks in the fresh-cut benefits of high-moisture crops. Besides the added feed value and greater palatability, CROP-SILE® also works to curb excessive fermentation, oxidation, waste, shrink and heat build-up.

CROP-SILE® can make a big difference in your returns. Results in terms of added feed appeal, greater feed value at feeding time and higher feed efficiency.

Make sure you save the nutritious crop you worked so hard to grow. Get CROP-SILE®. It'll help keep nature's nutrients in your silage.

Your young's representative has all the details. If you don't know the representative in your area call collect at 814-793-3701.
