

PTO, field fence or barbed wire, land in production, insurance, labor ... it's the language of farming. And you've got to speak it to succeed.

We speak your

language. We make short term loans for equipment purchases, operating expenses—you name it, and we make long term loans to both full- and part-time farmers for land and capital expendi-

tures. We're farmer-owned and farmer-controlled. We know what you're up against.
