MONEY OFF THE TOP TILLAGE DISCOUNTS

John Deere discounts these new tillage tools by 5 to 10 percent and waives finance charge to March 1, 1984

Just as you're getting into the fall/spring tillage season John Deere announces a big dollar saving offer on major tillage tools. Depending on the tillage tool you buy (see the chart) your dealer will deduct 5 or 10 percent from the latest base machine price. For example the discount on an 18' foot 235 Disk would save you more than \$1 100. On any of these you can save even more by financing with John Deere. Finance charge will be waived to March 1, 1984 for qualified buyers.*

Machine	Discount from Suggested Retail Price
Moldboard Plows	5 percent
Chisel Plows	10 percent
Field Cultivators	10 percent
Disks	10 percent
Mulch Tillers	10 percent
Mulch Finishers	10 percent

*Availability of John Deere financing plans subject to approval of credit. This offer may be reduced in value or withdrawn at any time.
