WIPE OUT DRYING DELAYS, FUEL BILLS AND EXPENSIVE STORAGE SILOS with HENKE'S KWIK KRUSHER

Henke Kwik Krusher makes tasty, nutritious rations from ear corn wet or dry.

Stationary Kwikmixer is popular with hog and dairy farmers. mixes almost anything with anything in minutes.

Henke portable Mill N' Mix rolls grain, mixes with supplement, discharges with blower or 24" discharge auger.

Dairymen and beef cattle feeders agree crushed and rolled ear corn is one of the best feeds available for cattle. And for crushing and rolling ear corn nothing matches Henke's Kwik Krusher! First the crusher head sizes the cob and shreds the husk. Then the built-in Henke roller mill further breaks up the cob and cracks the kernels. The Kwik Krusher makes great dairy and beef cattle rations and it's fast, too. will handle up to 600 bushels of ear corn per hour, wet or dry! Come in. Let us show you the Henke Kwik Krusher and tell you more about it. Or, if you prefer, you can order a portable Henke roller mill with a high capacity blower discharge. It does a super job of rolling wet or dry shelled corn and putting it in upright storage. Henke makes a portable Mill N' Mix vertical mixer and roller mill, too, with an ear corn mill as an option. And a Kwikmixer horizontal mixer that will mix grain with chopped hay, haylage, silage, molasses dry or liquid supplement thoroughly and uniformly in minutes! Both machines are great for making top quality hog and cattle rations on your farm. Ask us for further information.

IN STOCK

Henke 36" Ear Corn Crusher Roller Mill Blower
Reg. \$9750

DEMO ONE ONLY \$8750

Henke 24" Ear Corn Crusher Roller Mill Blower
Reg. \$8330

DEMO ONE ONLY \$7330

Henke Roller Mills process wet or dry shelled corn, ear corn, barley or milo. You may add 25 percent or more to existing storage just by processing wet grain thru a Henke Roller Mill. The uniform particles pack in tightly, taking less space. Because there's more grain, there's less air - so feed stays fresh, palatable.
