NOBODY DOES IT BETTER....

Or Faster...
Or More Accurately....
Or More Gently.

We trim your cows' hooves with equipment and expertise never before seen in the U.S. We employ a new, patented hydraulic table that does not use brands or other harsh restraints that disturb your cows' lactation.

Twenty years experience in this field says we can do the best possible job for you and your valuable dairy herd.

Call or write us for more information and available dates. Local references supplied upon request.

We serve Pennsylvania and all surrounding areas.
