Fill Your Grain Bins Fast, Evenly, Efficiently

Grain Aeration Systems and Grain Bin Drying Systems

Only Shivers warrants grain dryer performance

Shivers' automatic continuous flow grain drying systems are engineered to give long-last, high quality performance for most on-the-farm drying needs. Shivers is so confident in the ability of its systems to perform as promised that the drying capacity for each Performance Package is warranted in writing.

The Shivers Challenge Will Make You A Believer

Your Future Is Just Ahead

Some years ago we introduced the truck liner; we knew it was a great idea and Line-A-Bed was born. Since then other manufacturers have attempted to imitate our liner, but Line-A-Bed is still unequalled in durability, craftsmanship and design. Our liner is constructed of a space-age material that is tough and to prove it, it's backed up with a one year limited warranty. Line-A-Bed is also the only manufacturer that features a patented snap-on tailgate cover. This snap-on requires no drilling or bolting that can give rust a place to start. So if you're interested in learning more about our liner or consider yourself a prospective dealer, we would be pleased to discuss dealer participation. For more information on how you can be a Line-A-Bed dealer, write or call today. Your future is just ahead.

We started out Number One and we're still Number One!

Oversized ribbed bottom for ventilation. Custom made to custom fit bed of truck.

Lipped on all three sides to protect top of rails.

LINE-A-BED

Wrap around snap-on tailgate cover protects entire tailgate. No holes to drill.
