THEY HOLD DOWN MORE THAN ONE JOB.

Kubota's mid-sized tractors are very versatile. You'll find them at work on farms, in parks, nurseries, estate homes and even on construction sites.

The reason is simple. Our mid-sized L-Series tractors come with features you'd expect to find only on bigger, heavier machines.

For example, sturdy 3-cylinder diesel engines. Horsepower from 12 to 29 PTO. Hydraulic shuttle-shift. 2- or 4-wheel drive. A hefty 3-point hitch. And more.

So if you're looking for a tractor that can get the job done, whatever it is, you've found it. The Kubota L Series.

Nothing like it on earth.™
