

A HIGH ENERGY HOG FEED FOR EVERY NEED.

Whether you've got a little grain, a lot of grain or none at all, we've got the High Octane® ration for you. Choose from High Octane® Hog Chow® 38, High Octane® Hog Chow® 27 or High Octane complete feed, depending on your grain supply. You can expect High Octane performance from all three.

When you've got a lot of grain to feed

...use High Octane Hog Chow 38. You'll be surprised how little supplement it takes to make a ton of high performance feed.

And with High Octane Hog Chow 38, you can formulate a ration for nearly every lifestage. Simply adjust the ratio of grain to supplement, and add a special Purina Pak, if necessary. Your Purina Dealer can show you how.

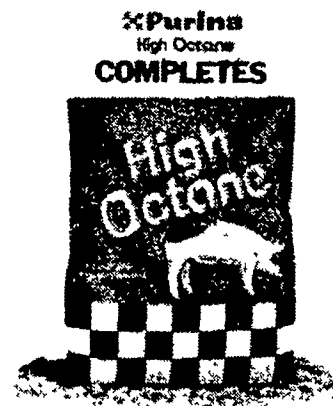

... or not so much

...use High Octane Hog Chow 27.

Since there are two different High Octane supplements to choose from, you decide how much of your own grain to use.

Like High Octane Hog Chow 38, you can use High Octane Hog Chow 27 to formulate a ration for almost every lifestage.

... or none at all

...use High Octane complete feeds. There's a ration specially suited to your animals — whether they're starting, finishing, or farrowing.

Best of all, with High Octane complete feeds, you don't have to worry about mixing and handling. For convenience and performance, there's nothing like High Octane complete feeds.
