

## MONEY OFF THE TOP

### TILLAGE DISCOUNTS

John Deere discounts these  
new tillage tools by 5 to 10  
percent and waives finance  
charge to  
March 1, 1984

Just as you're getting into the fall/spring tillage season, John Deere announces a big dollar-saving offer on major tillage tools. Depending on the tillage tool you buy (see the chart), your dealer will deduct 5 or 10 percent from the latest base machine price. For example, the discount on an 18½-foot 235 Disk would save you more than \$1,100.

On any of these you can save even more by financing with John Deere. Finance charge will be waived to March 1, 1984, for qualified buyers.\*

Machine	Discount from Suggested Retail Price
Moldboard Plows	5 percent
Chisel Plows	10 percent
Field Cultivators	10 percent
Disks	10 percent
Mulch Tillers	10 percent
Mulch Finishers	10 percent

\*Availability of John Deere financing plans subject to approval of credit. This offer may be reduced in value or withdrawn at any time.

### JOHN DEERE TRACTORS

40-HP  
1250

50-HP  
1450

NEW  
60-HP  
1650

### Cut your costs from start to finish with one of these John Deere Efficiency Experts

Now there are three! Three 40- to 60-hp tractors from John Deere that can really help you cut costs, from initial purchase to day-after-day fuel savings. The two new models follow impressive fuel efficiency and lug-ging ability test results turned in by the 1250.

The new 50-hp 1450 joins the fuel-efficient lineup with a 4-cylinder diesel engine designed to deliver a lot of work on a little fuel. The 60-hp 1650 features a 4-cylinder turbocharged diesel, also designed to deliver the most work for your fuel dollars.

All three tractors feature 9-speed transmissions, power steering, hydraulic wet-disk brakes, inboard planetary final drives, 540-rpm independent PTO (continuous-running on the 1250), plus MFWD options. So come in to see us soon about how to cut costs with the proven 1250 or new 1450 and 1650 Tractors.
