

**The  
Systems Approach  
of  
Hershey Equipment  
lets you  
put it all together**

Today's profit minded poultry, swine, and grain producers must think in terms of an automatic system.

"System thinking" can help you plan away problems before you begin, or it can help you automate away problems you now have.

Hershey Equipment Co. is geared to provide all components of the system including equipment, plumbing, electrical and building. This will assure that the pieces will fit together to form a profitable system.
