

## If your lender thinks a farming team consists of rookie baseball players, you're borrowing at the wrong place.

**A**t Farm Credit, we speak Teamwork. We appreciate that both of you share the tough decisions, the very real risks, the never-ending effort. Your partnership is what makes it all work—and worth it.

As America's dependable source of agricultural credit, we consider ourselves part of your farming team, with short, intermediate and long term loans for farmers, their families and their cooperatives.

We're farmer-owned, farmer-controlled cooperative

lending institutions, in business to help make your operation more profitable. We offer loans for operating expenses, equipment, land acquisition, as well as family needs—and a lot more. And our help is backed by loan officers who understand

the importance of using credit wisely.

There's an office near you, and you're both welcome. Call or come by today and talk loans for your farm and your family with people who speak your language.
