Big introductory cash rebates up to \$8,200 on new 50 Series John Deere 2WD and 4WD tractors...plus finance waiver to March 1, '84

Pick the power size that'll boost your farming efficiency through the 1980s from the lineup below. Check the big cash rebate John Deere offers on that model. Combine that amount with the offer we'll make and the price of a John Deere 50 Series competes with other makes that don't offer comparable quality, durability or resale value.

On top of that, look at the even bigger introductory rebate John Deere offers if you equip your 50 Series 2WD with MFWD. You'll save money when you buy MFWD, you'll save fuel when you work MFWD.

To make buying now a practical matter, consider this offer. Finance your new 50 Series with John Deere (your trade-in may cover the downpayments), and finance charges will be waived to March 1, 1984! Or consider leasing, with discounted lease payments giving you a value comparable to that of waiver of finance offer.

Now's the time to choose from the 15 models listed here. Get the new tractor you want while these John Deere cash rebates are still in effect.
