#502 Calf Starter is a textured sweet feed. It is a combination of steam flaked corn, steam crimped heavy oats, steam crimped barley, pellets, and cane molasses.

NEW #503 High-Fat Calf Starter is a pelleted product. The "high fat" insures extra energy for maximum growth. Faster growth from birth to 4 months of age, means a healthier, bigger heifer at 24 months when she comes into the milking string.
