NEW liquid manure system lets you manage your way

Now, the new Liqui-Stor™ tank completes the liquid manure management system that can help you save time, labor and nutrients when handling your valuable manure resource. Includes a variety of equipment for collecting, delivering, pumping, agitating, hauling, broadcasting and injecting. The right size and capacity for your operation. Plus features that add up to years of dependable performance. There's no better way than Butler. See us for systems and service.

LIQUID MANURE management systems

Better livestock management starts with us

In today's economy, it has never been more important to make the right farmstead equipment decisions. Equipment that's quality-designed to protect your hard-earned investment... and to provide years of proven performance that can save you time and work. Good reason to look over the Butler line.. and to look us over too. There's no better way than Butler... see us for systems and service you can depend on.
