

# Keystone Farmers are tomorrow's ag leaders

(Continued from Page D4)

service, BOAC and Ephrata Fair Flower Show.

She is the daughter of Allen B. and Anna Sensenig, R1 Denver.

She conducted projects in direct laboratory experience and supervised work experience. She plans to continue working at Good's Greenhouse in Mohnton.

She is active in church and its youth group and her hobbies range from reading and needle work to arranging and caring for flowers and plants.

## Pequea Valley

FRANK HARTLEY

Frank Hartley has held the offices of second vice president of the Pequea Valley Chapter and president of the Lancaster County FFA Red Rose Chapter.

His project has concentrated on his work at Maple Lane Dairy Farm in Paradise.

Committee posts have included County Honor Banquet, Farm City Week, PR, cooperation and alumni.

He has won his chapter's Placement in Ag Production proficiency award.

He is a member of the Kinzers Fire Company, Rough and Tumble Engineers and Pequea Valley Jaycees.

He likes to rebuild antique farm machinery.

The son of Robert and Donna Hartley, Kinzers, he plans to attend Williamsport Area Community College and major in agribusiness to become a dairy herdsman.

## Manheim

KEVIN MOYER

Kevin Burnell Moyer is president of the Manheim FFA Chapter and also holds the office of reporter for the Lancaster County Red Rose FFA.

He has also held the office of corresponding secretary for the chapter in the past.

Among his major awards have been Star Greenhand and Star Chapter Agribusinessman.

Past projects have included rabbit production, corn production and home garden. He has had a supervised occupational experience project for the past four years and is chairman of that committee. He has also served as chairman of the FFA window, sweet corn project and fund raising committees.

He is the son of Burnell and Erma Moyer, R7 Manheim.

He serves as youth president at Hernleys Mennonite Church.

In the future he plans to run for state office and compete in public speaking. Also, he wants to follow an agribusiness or farming career.

As hobbies, he likes hunting and photography.

DUANE SHELLY

Duane L. Shelly's projects in the Manheim FFA Chapter have in-

cluded hog and beef finishing and growing tobacco.

His offices in the chapter have included corresponding secretary, secretary and treasurer.

He was a member of the parliamentary procedure team that placed second in the county and area contests and third at the regionals.

He has served as chairman of the community service committee and on the conduct of meetings group.

The son of Mervin B. and Thelma Shelly, he also takes part in wrestling.

Baseball and hunting are his main hobbies. He plans to either work on a farm or assist on his father's feed route.

STACEY SHENK

Stacey Shenk, of the Manheim FFA Chapter, has had a primary project of beef finishing.

He was a member of the chapter's parliamentary procedure team, too.

Extracurricular activities include membership in the Chiques Church of the Brethern and Youth Group. He is also quite active in singing as a member of a gospel group, the school and church choir.

Among his hobbies are roller skating and swimming.

The son of Eugene and Darlene Sherk, R3 Elizabethtown, he plans to work for his father.

DAVID WELLS

David M. Wells was awarded the Manheim FFA Chapter Star Farmer honor last year.

His projects have included on-farm work experience and raising Holstein cows and calves.

He has held the office of chapter historian and has received the chapter's proficiency award in ag production.

He is the son of Lois C. Wells, Manheim.

He is a member of the White Oak Church of the Brethern and youth

## A TOTALLY MIXED RATION

with

**ROLL A MIX** by  
**STEINER**  
SILAGE, GRAIN & HAYLAGE

Mixing Specialists

- Lower power requirements
- Tumble action eliminates the high resistance of conventional auger mixing
- Fast 1-3 minutes mix time
- Gentle on feed
- Rugged construction
- Fewer moving parts
- 180° discharge access
- Versatile enough to meet most mixing needs
- Center auger loads and unloads mixer
- Revolving drum gently tumbles feed
- No overmixing
- Proven on the farm

### The Steiner Roll-A-Mix Internal Operation

In filling the Roll-A-Mix, feed is carried by the auger to the rear of the mixer where it falls into the slowly revolving drum for a gentle tumbling thorough mix

The spiral flights are designed to carry the feed back to the front into the reversed auger for discharge into your conveyor
