# BOTTOM-LINE SPECIALS

New combine buys are best now: get cash rebates from \$2,800 to \$5,200 including header...plus finance charge waiver to first use month in 1984, or a rebate in lieu of waiver

Look at this: not only do you get a cash rebate for a new separator but you also get an added bonus for any new headers bought with the separator or separately (see the chart). That's right—a rebate for the separator, a rebate for the header, and even a rebate if you buy just the header alone. Use your current combine toward downpayment for a new Titan, finance with John Deere, and pay no finance charge until the first use month in 1984. Or you can take a cash rebate in lieu of waiver. For example, a 6620 Corn and Soybean Combine bought in December

1983 would have a cash rebate in lieu of waiver of \$3,250 if the first use month is October in your area. Or on a 7720 Grain Combine bought in January 1984, a cash rebate in lieu of waiver of \$2,175 if the first use month is July in your area. Ask your dealer for the amount in lieu of waiver on the combine of your choice. Or another option is to lease a new combine, with lease-payment discount comparable to the waiver of finance charge. Now's the time to choose, while the best values are available. This program will end on January 31, 1984.
