THE BETTER BEDDER

3 BLADED KNIVES

Again WIC gives you more for your money. Purchasing a WIC chopper with a cord-proof rotor of 3 bladed knives, you obtain the value of 3 sets of knives for the price of one.

- GONE FOR GOOD, THE EXHAUSTING JOB OF CHANGING THE KNIVES, AS THE 144 BOLTS AND NUTS HAVE BEEN REPLACED BY 8 RODS INSERTED THROUGH THE KNIVES WHICH ARE COLLECTIVELY TIGHTENED, FORMING A ONE-PIECE ROTOR.

- THE CONCEPTION OF THIS NEW ROTOR GREATLY DIMINISHES THE RISK OF SNAGGING BEING FREE OF BOLTS AND NUTS.

Chop time off your job. Keep your cows healthy.

With the Goossen Bale Chopper, you can chop hay into small pieces, blowing bedding into stalls or blow bedding into stalls through windows or doors. The Bale Chopper shreds and blows an entire bale in only seconds and all you do is direct the 180° rotating blower.

PROMOTE HEALTHIER COWS
Clean, evenly shredded bedding encourages cows to use free stalls, and stall use improves udder health, especially during bitter winter months.

FEED TOTAL MIXED RATION
Use the Bale Chopper to shred hay into mix wagon with grain and silage. Tests have proven TMR feeding results in better herd health and increased production.
