†Redemption of 1983 certificates does not qualify for purchase in this 1984 program. Availability of John Deere financing and leasing plans subject to approval of credit. Leases not eligible for cash rebates or for cash in lieu of waiver. This offer may be reduced in value or withdrawn at any time.

It makes good sense to double your cash rebate by buying two new John Deere hay or forage tools as listed here. You can buy two now and get double the rebate on both. Or buy one now and get a certificate to buy the second tool before April 30, 1985 get your double rebate at that time †

Finance your initial buy with John Deere and finance charges will be waived to the first use month in 1984. Or you can take a cash rebate in lieu of waiver.\* For example, buy both a self-propelled hay windrower and a round baler in December 1983, and get a cash rebate in lieu of waiver for \$925 if the first use month is June in your area. Still another option is to lease these tools with lease-payment discounts comparable to the waiver of finance charge.\*

You can, of course, buy any of these hay or forage tools individually. Waiver of finance charge or a cash rebate in lieu of waiver will still apply.
