

When You Think About It . . . You'll Agree!

When you make a major purchase—like a milk cooler—you buy from folks you trust.

A friendly voice, a firm handshake, someone who looks you straight in the eye and calls you by name. Someone with a good ear for listening. A man who says something when he talks.

Somehow, you know that here's a man you can trust to give you a straight deal. A man who will back his sales talk with the kind of service he'd expect from you!

Not everyone has that intangible quality of trust. Mueller distributors do. After you've bought your Mueller cooler or Fre-Header or Refrigerated Receiver, there's not a doubt in your mind that your Mueller serviceman will be there if ever you need him. In the dead of night. During the season's worst storm. He's just a phone call away. Your Mueller distributor. A man you can trust.
